

# CAPABILITY STATEMENT

## ABOUT US

**Heart of Texas Restoration** is a trusted and reliable full-service emergency clean-up, restoration, and disaster response company. With over 22 years of experience, we have been proudly serving residential and commercial properties in Brady, Texas, and the surrounding areas. As a family-owned and operated business, we understand the importance of delivering high-quality services and exceeding customer expectations.

Our dedicated team is available 24/7, 365 days a year, providing prompt and efficient emergency services. Whether you are dealing with water damage, fire damage, mold growth, storm-related issues, or require commercial restoration services, we are here to help. We respond swiftly to your call and aim to minimize your stress during these unfortunate events.

## OUR SERVICES

- **Water Damage Restoration:** Heart of Texas Restoration specializes in mitigating and restoring properties affected by water damage caused by flooding, leaks, burst pipes, or other water-related incidents.
- **Fire Damage Restoration:** In the aftermath of a fire, Heart of Texas Restoration provides expert fire damage restoration services.
- **Mold Removal Services:** Heart of Texas Restoration offers professional mold removal services to eliminate mold growth and address associated issues.
- **Storm Damage Cleanup:** The company assists property owners in recovering from storm-related damages, such as wind, hail, or severe weather events
- **Commercial Restoration Services:** Heart of Texas Restoration extends its restoration services to commercial properties, including businesses, offices, and industrial facilities.
- **Disinfectant Cleaning:** The company provides professional disinfectant cleaning services to ensure safe and healthy environments.

## WHY CHOOSE US?

- **Experienced and Family-Owned:** With 22 years of experience, Heart of Texas Restoration brings a wealth of knowledge and expertise to every project.
- **24/7 Emergency Services:** Heart of Texas Restoration understands that disasters can strike at any time.
